

The TWO TENORS

When two of the country's most outstanding singers join forces as **THE TWO TENORS** they are guaranteed to have the audience watching in awe. With a repertoire packed with many tenor favourites ranging from Arias to Broadway hits and timeless classics, this sensational tenor duo combines the intensity of modern classical music and culture with comedy.

THE TWO TENORS are a complete entertainment package and always amuse the audience when on stage as the physical difference is so great (five-foot nothing Daniel and man-mountain Lachlan), that Daniel barely reaches Lachlan's armpits.

Lachlan Baker, the son of a Mt. Tamborine dairy farmer, classically trained at the Queensland Conservatorium and has performed in the touring production of the opera *Aida*. This dramatic tenor revived his unforgettable performance of the character Jean Valjean in the Gold Coast Arts Centre anniversary production of *Les Miserables*. He was captivating as Peron in *Evita* and was in Simon Gallaher's production of *The Merry Widow* at the Lyric Theatre. Lachlan is also widely recognised as Grand Finalist on Channel Nine's TV series *Starstruck* portraying Luciano Pavarotti.

Popera Tenor **Daniel Mallari**, originally from the Philippines is an amazing showcase of versatility and has performed throughout Asia, USA and the Pacific Rim and regularly performs his solo show as Guest Entertainer on the finest cruise ships around the world. This multi-award winning performer represented Australia in the USA as winner of the Fast Track to Fame National Talent Search. Daniel has worked with the Hong Kong Opera Society and his credits include *Turandot*, *The Pajama Game*, *Dr Seuss* and *Walt Disney in Concert* and played Sir Archibald Proops in the Australian premiere of *Jekyll & Hyde - the musical* alongside Rob Guest.

THE TWO TENORS repertoire is packed with many tenor favourites ranging from arias such as *O Sole Mio*, *Amigos Para Siempre*, *Libiamo*, *La Donna 'e Mobile*, *Granada*, *Funiculi Funicula* and *Nessun Dorma* to Broadway hits including; *This is the Moment*, *Tonight*, *Maria*, *Bring Him Home*, *Music of the Night*, *Anthem*, and timeless classics including *The Prayer*, *Unchained Melody*, *New York New York*, *You Raise Me Up*, *Perhaps Love* and *Danny Boy* – and of course those ever popular 'cameo' appearances by their 'special guests'!

"**The Two Tenors** showcase the music that lasts. Miniature dynamo Daniel and super-sized singer Lachlan combine culture with comedy. They may be mismatched in size but their voices are perfectly in tune." **Queensland Style Living**

"We have marveled at the singing of the Three Tenors and love the Brisbane-based Ten Tenors but have you heard **The Two Tenors**, Lachlan Baker and Daniel Mallari? They almost brought the house down, the audience yelled for more and was not satisfied until the pair returned ...what a great night of entertainment!" **Gold Coast Bulletin**

"The performance of **The Two Tenors** was one of the highlights of our convention. Never before have I seen members of a CQIB convention audience give a standing ovation! **Council of Queensland Insurance Brokers Convention Gala Dinner**

"**The Two Tenors** were magnificent and I am still getting reports from guests about how amazed they were with their voices. Many thanks once again for making our evening very special! **The Assoc of Professional Aestheticians of Australia Awards of Excellence Gala Dinner**

"It (**The Two Tenors**) was a wonderful show and definitely the best ever at the Melrose! Thank you for all your help during the last few years. **Sea World Resort**
