POPERA CLASSICS COLLECTION

Broadwater Parklands presented the highly anticipated arrival of **Popera on the Broadwater** when the ultimate excitement, passion and romance of Popera made its debut appearance at the new \$42 million first stage **Southport Broadwater Parklands**. The Great Lawns of the Parklands became an open-air theatre for a spectacular outdoor concert as **Popera Classic Collection's Concert Series** presented an extraordinary cast of renowned singers, supported by dancers and violinist to perform popular melodies from the world of opera, musical theatre and modern Popera classics against the spectacular sunset of the Broadwater.

The inaugural *Popera on the Broadwater* concert attracted a huge crowd as they arrived early to secure a good spot with picnics and rugs in hand. They brought family and friends to enjoy some of the finest voices perform a stunning selection of Broadway Blockbusters, some of the world's most popular classical pieces and of course in a special show billed as **A Night at the Popera**, the evening would not have been complete without a selection of admired Popera Classics that are uniquely and synonymously our Popera brand.

Pre-Concert entertainment by *Swing Plus Jazz Band* kept the early arrivals tapping their feet whilst our Popera Pups were also well entertained throughout the evening with interactive kid's activities, roving characters, amusement rides and entertainment for all ages.

Popera Classics Collection's - Concert Series perform *Popera on the Broadwater - A Night at the Popera* – Apr 2010

Popera Classics Collection's Trio Series celebrated the rhythms and colours of Latin America when they performed **A Night at the Copacabana** for the APNA (Australian Practice Nurses Association) 2010 Conference Copacabana themed Gala Dinner at the RACV Royal Pines Resort.

The Collection's *A Night at the Copacabana*, supported by our stunning Showgirl dancers had the audience on their feet in no time as they presented the music of the Copacabana night club in a sophisticated show that covers favourites from Barry Manilow to sultry Puerto Rican tunes and Latin Classics from the likes of Ricky Martin and Jennifer Lopez.

The wildly popular **Popera Classics Collection's Concert Series** of outdoor concerts made a highly anticipated return to **Springfield Lakes** with a very special show billed as **A Night at the Popera for Music on Dusk** as part of the Delfin Winter Warm Ups program.

The Promenade Walk's big crowd enjoyed hot winter treats and local wines as they enjoyed a spectacular journey of music on a perfect winter's eve which culminated in a spectacular fireworks display.

This latest production, staged against the stunning backdrop of The Promenade's new Regatta Lake promised something for everyone and did not let the eager crowd down. Young and old, they enjoyed selections from some of Broadway's family favourites such as *The Lion King* and *Mamma Mia*, a spectacular tribute to the longest running musical in history *The Phantom of the Opera*, a moving homage to the late great Luciano Pavarotti and Popera favourites including *The Prayer*, *Senza Catene (Unchained Melody)*, *You Raise Me Up* and *Amigos para Siempre*.

Music on Dusk is fast becoming an institution at Springfield Lakes as the word spreads through this thriving and growing community and with the Popera concerts appealing to all age groups from toddlers and teens up.

Dux - Southport Yacht Club's island retreat on South Stradbroke Island celebrated its 28th Birthday on an absolutely perfect Broadwater day with a special event - **Popera at Dux** in one of the most spectacularly unique events we have had the pleasure of performing at.

Dux is an island haven for the exclusive use of Southport Yacht Club members and guests and is only accessible by water.

This year for the first time, the Club supplied a ferry to transport guests to the venue. And apart from that, one of the largest fleets of boats seen in the anchorage brought many more people to the party. On the nearby beach the occasional wallaby roamed nonchalantly while throngs of people trekked from the water's edge to the marvelous setting beyond. They came by yacht, powerboat, tinnie, and surfboard – or anyway they could to enjoy a birthday celebration like never before.

The Club's *iN SYnC* magazine summed the day up perfectly; "It was a day not to be forgotten with amazing outdoor entertainment in the perfect environment. The setting and the entire scene was beyond compare – hundreds of happy people, children included, in a picnic atmosphere where you could do nothing else but have fun. It was a superb day: one that will go down in the history books of the Southport Yacht Club as being among the very best".

"While the party-goers relaxed on the lawn, sipped their drinks and enjoyed exceptional camaraderie, **Popera Classics Collection** brought the scene alive with their superbly professional and entertaining style. At the end their impact on the crowd was so great that almost everyone present – even people we thought would never be seen dancing – were up and dancing for the finale."

During the interval of **Popera at Dux**, the traditional tug-o-war competition between Yachties and Power Boaties took place and was once again won by the sailors. Everyone sang 'Happy Birthday' to Dux and following the traditional cutting of the cake by Commodore Rob Mundle, everyone was treated to Birthday Cake and Champagne.

Many thanks to Past Commodore and Popera Pal Chris Oxenford for ensuring a successful day for all.

Look out for upcoming exciting Popera events for Southport Yacht Club.
